Examiner/GAU: Russell, Christina Marie/2837

Mailed: Tel-Aviv, 2006, Sep, 29th, Fri

Amendment Under Rule 116

Assistant Commissioner for Patents
VA, Alexandria, 22313-1450

In response to the Office Action mailed 2006 June 09, applicant requests that the case be amended as follows to place it in condition for allowance.

Some of the claims appearing below have been amended. Changes from previous claims are marked in Appendix 1. Please amend the document filed on 01-31-06 as follows:

Claims:

18. (amended) A system comprising:

a track segmentor for segmenting a track by splitting said track into track elements cut from said track each of said track elements containing time portion of said track;

a track database comprising a plurality of track elements generated by said track segmentor; and

a segment player that sequentially plays a plurality of track elements one element at a time consecutively with no gaps and no overlaps to create a
